

PINE MOUNTAIN LAKE HOUSE RULES

20887 McKinley Way (Unit 10 Lot 2)

Dear guests,

Hello and welcome to my home! I'm so happy you chose my property for your vacation.

Before you settle in and get comfortable, I would like to make you aware of the House Rules in place at this vacation rental. Understanding and complying with the house rules will make for a comfortable and fun stay for everybody! Please ensure you read and fully understand the house rules at the beginning of your stay. If anything is unclear, please contact me so I can explain in further detail to avoid any misunderstandings. Not complying with house rules could result in a penalty of deduction from your security deposit.

- Please treat my house with the same respect as you would your own home. This is my home away from home, and I've put a lot of effort into making this a lovely space to be enjoyed by my guests also. You are responsible for putting the house back in the order in which you found it, or better!
- I want you to enjoy your vacation and time at my home to the maximum, but I do have to set some restrictions on visitor numbers for safety reasons. As part of this vacation rental agreement, I need the names of each member of your traveling party.
- Pine Mountain Lake is a gated community with 24hour security. Gate Guard will give you a pass to keep in your car. This gives you access to all the facilities for the length of your stay, up to 7 days.
- Summers are very dry here, do not leave BBQ unattended. Make triple sure coals/ash are completely out/cold.
- No Pets.
- This vacation rental is a smoke-free zone.
- All trash/recycling must be taken with you, or you may purchase a Moore Bros. prepaid garbage bag at the front gate upon entry. The Moore Bros garage bin is at the PML Maintenance Yard at the end of Tannahill Drive.
- Parking in driveway only. You will get a ticket if you park on the street.

CHECK-IN TIME TBD /CHECK-OUT TIME TBD

At check-out, all rooms and floors are clean and put back in order as you found it. All windows and doors are locked. Oven, Ceiling fan, heaters and A/C off, and water faucets completely turned off. Empty fridge of all foods and beverages that you brought and take home with you. Take all garbage and recycling with you or to Moore Bros. garbage bin. Leave the home in as good condition and you came into it.

SECURITY

While I have taken the necessary measures to make this vacation rental safe for incoming guests, you also have a role to play in ensuring the safety and security of your party. There are actions you can follow to keep the house secure during your stay.

- Any time guests leave the vacation rental, it is their responsibility to ensure all windows and doors are closed and locked to maintain security.
- We are not responsible for the loss of any personal belongings or valuables.

DAMAGE AND BREAKAGE

While I know my guests won't intentionally break anything at this vacation rental, I understand accidents can happen sometimes. Here is what you need to know about accidental damages or breakages during your stay.

- Always report any accidental damages or breakages in a timely manner, especially before check-out.
- In case any damage to the property or its appliances is not covered by our insurance, the **guest will pay for the repair or replacement costs.**

KITCHEN & SUPPLIES

No doubt one of the biggest advantages of staying in this vacation rental is the fully furnished kitchen & household supplies. I have provided all the basics needed.

- To simplify the inventory process, please return any kitchen items back to where you originally found them.
- Kitchen cleaning products are under the sink, and also in the white cabinet on the first floor. If any products run out (cleaning, condiments, seasonings, paper items, etc....) during your stay, please let me know so I can replace them for the next guests.

COMPLIANCE AND FINAL AGREEMENT

I've set out these house rules so that every guest visiting this property has a safe, secure, and most importantly fun stay at my home. Compliance with these rules is essential for every member of the traveling party. I hope you have a great time and find everything you need.

- Breach of any of these house rules is a **breach of the terms and conditions** of occupancy, as per the rental agreement you have signed. Breach of rules will forfeit any further rentals at my home, and will forfeit your security deposit.
- I reserve the right to evict any guests or visitors from the property who refuse to follow these house rules.
- In any case, please use common sense while staying in my home. If you're unsure about any of the house rules and require further clarification, please give me a call.

I/WE the Applicant, have read and fully understand these Rules, Terms, and Conditions, and acknowledge having received a copy of the same.
